# Tuition Category Selection

Tuition category selection will be based on the following:

## **Category 1      St. Stanislaus Parish School Stewardship Family**

**"Stewardship Family"** – Parish-provided Statement of Good Standing is required. This is not a tuition-reduction program but a collaborative commitment reflecting a decision that is part of an individual and family-faith journey.

In this category the entire parish family joins with student families and makes a substantial contribution toward meeting a student's tuition cost. This results in a significant reduction for those families that make the "Stewardship Family Commitment".

**Current Families** - must have a Statement of Good Standing on file at the parish school office reflecting the fact that they are fulfilling their commitment to embrace and live stewardship as their way of life in order to qualify for the Stewardship tuition rate. The parish office will automatically mail a Statement of Good Standing by mid-February to all eligible currently enrolled families.

**New Families** - must have made a commitment that reflects their decision to embrace stewardship as a way of life. A formal faith commitment is required. Those interested should contact the parish office (524-4381) for information. If a commitment is made, then a Statement of Good Standing will be provided.

## **Category 2      Active in Another Parish**

Registered in a Catholic parish, participating in Sunday Mass at least 60% of the calendar year at that parish and actively involved as a supportive member, (including time, talent and treasure).

## **Category 3      Non-Stewardship Family / Not Active In Another Parish**
