What Are We Studying?

RELIGION

This week we will learn about how we are joined not only to Christ but to one another. We will discuss the liturgy and Christ's Paschal mystery.

MATH

We continue math by looking at word problems and how to get the information you need out of them. We will continue with missing numbers in multiplication and division, and finish with Order of Operations.

LANGUAGE ARTS

Our story this week is "The Marble Champ," which tells a story about how a young girl worked hard to achieve athletic success. We will also learn about pronouns, making inferences, and how to create T-Notes and the Step-Up-To-Writing method.

SOCIAL STUDIES/SCIENCE

We will be finishing up our first chapter of science and we will review on Wednesday for our Thursday test. The students all have study guides and it is important for them to have them on the review day.
