Social Studies	

* Math homework is always the Mixed Review. Students are responsible for problems 1-29 odd, though we will usually do the first 6-8 in class.

This guide is intended to give an idea about what homework will be covered this week. Sometimes, listed homework may not be assigned or other work may be assigned that is not listed. Please check with your child’s assignment book that they fill out at the end of every day.

CLAS = Comprehension and Language Arts Skills
SAVS = Spelling and Vocabulary Skills
